Mr. Jeff Derouen
Executive Director
Public Service Commission
211 Sower Blvd
PO Box 615
Frankfort, KY 40602

Dear Mr. Derouen:

Big Sandy Water District would like to have a reduced rate for meter connection/tap on charge for customers on Contract D-D with a deadline date to be paid by March 1, 2010. Our current tap on charge is \$835.00, raised from \$625.00 on July 14, 2009. We are asking for this reduced meter connection/tap on charge because in the past it has been standard procedure of a funded construction project to give a reduced tap/connection fee to encourage sign up prior to construction, with the acknowledgement that the fee would return to regular tariff fee after the start of construction. This gives the potential users a break and allows the contractor to install the meter sets and relieves the District personnel from doing this in the future. Also, this project was planned over 2 years ago at which time the proposed tap/connection fee to customers was \$625.00. Enclosed are the original and ten copies of the new tariff sheet. If you have any questions, please call (606) 928-2075.

Sincerely,

Paul Thomas
Chairman
